ORDER

JOHN P. CRONAN, United States District Judge:

In light of the statement provided by Plaintiff Simon Zarour himself, Plaintiffs' request for an extension, Dkt. 62, is granted. The reopened appraisal shall be completed by August 24, 2021. The Court will not extend this deadline further. If the reopened appraisal is not completed by August 24, 2021, the Court will dismiss this case for failure to prosecute.

Within one week of the filing of this order, Plaintiff's counsel and Defendant's counsel are ordered to meet and confer in order to develop a strategy for complying with Judge Rakoff's order dated February 21, 2017. *See* Dkt. 49 at 5-6 ("[T]he Court . . . orders the appraisal panel to reopen the appraisal to determine if, and to what extent, [P]laintiffs have suffered losses under the Policy due to mold damage."). Plaintiff's counsel and Defendant's counsel shall meet and confer as needed after that in order to complete the reopened appraisal. Failure to complete the reopened appraisal by August 24, 2021 will result in the Court dismissing this case for failure to prosecute.

SO ORDERED.
